TRANSMITTAL LETTER FOR NOTICE OF APPEAL

Commissioner for Patents
P O Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to an Advisory Action mailed August 12, 2005, applicants filed a supplemental amendment after final rejection on September 15, 2005. As the filing of the supplemental amendment is not currently reflected in the U.S. Patent and Trademark Office (USPTO)'s record, a copy of the filing as well as the filing postcard indicating the receipt of the filing by the USPTO are enclosed herewith.

A petition for three months extension of time accompanies this notice of appeal so that the notice of appeal will be deemed to have been timely filed.

In the supplemental amendment filed on September 15, 2005, applicants petitioned for a two months extension of time by error as the appropriate amount of extension time should have been three months. Applicants did indicate in the supplemental amendment that if any other extension of time was needed, the petition should be considered as for the appropriate extension and a request to charge the appropriate extension fee to Deposit Account No. 17-0055. If the USPTO has not treated the petition in the supplemental amendment as for three months extension and charged the three-month extension fee to Deposit Account No. 17-

0055, please charge the difference between the three-month extension fee and the two-month extension fee to Deposit Account No. 17-0055.

If any other extension of time is required in this or any subsequent submission, please consider this to be a petition for the appropriate extension and a request to charge the petition fee to the Deposit Account No. 17-0055. No other fee is believed to be due in connection with this notice of appeal. However, if any fee is due, please charge the fee to the same Deposit Account No. 17-0055.

Respectfully submitted,

Zhibin Ren
